Dear Guests,

We hope you enjoy our selection of cocktails and beverages, picked especially for you by the Anapuri team. We have tried to supply a variety of options for all tastes, but if there is any drink you would specifically like, we will endeavour to get it for you, please simply ask your butler.

All our coffee is produced in Indonesia, with roasted coffee beans from Bali and a decaffeinated option from Sumatra.

For any particular cocktails which you cannot find on our menu, please inform the staff and they will do their best to fulfill your needs.

We are here to serve.

Regards,

Sakaria Kadir  
Anapuri Villas Manager.
